"Doc" Travelstead, looking over the Shorthorns, doing what he likes best.

I have been in this business a long time and have come to recognize dispersions as a normal course of events. Folks have different reasons for dispersing . . . age, health, other business interests, etc. Mine is simple. I was asked to put a price on my farm. This was a large piece of land and a good chunk of money. I didn't expect my offer to be accepted, but it was. In a few months we must give possession . . . so every last hoof on the place will be sold.

Our nearly twenty years in the Shorthorn business have been among our greatest experiences in life. We would not take anything for the friends we have made.

There have been many thrills . . . many championships and top sellers. It has been a profitable herd. Nearly twenty years of constructive breeding has gone into Hillcroft Shorthorns. The herd is at its all time peak in terms of producing quality. We are certain those who buy the cattle will find them profitable.

Although I am not saying goodbye for good . . . I'll probably get tired of pruning rose bushes instead of showing bulls . . . nothing in this herd can or will be held out of this dispersal.

**"Doc" Travelstead**

## General Sale Information

**DATE AND PLACE** . . . Saturday, June 11, 1955 starting at 12 Noon. At Hillcroft Farm. From Eldorado go east  $2\frac{1}{2}$  miles, then turn north on gravel  $2\frac{1}{2}$  miles to farm sign.

**MAIL ADDRESS** . . . Dr. E. M. Travelstead, Harrisburg, Illinois.

**TELEPHONE** . . . Eldorado 32 F 14.

**MAIL BIDS** . . . We want you to attend this sale if you can possibly do so. If you cannot come, you may rest assured your bids will be faithfully executed by Allan C. Atlason, Executive-Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, 9, Illinois; the sale manager, Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois; or to any of the auctioneers.

**AUCTIONEERS** . . . C. D. Swaffer, Tulsa, Oklahoma; H. P. Miller, Danvers, Illinois.

**HEALTH** . . . All animals sold subject to a 60 day retest for tuberculosis. Every animal in this sale will have passed a clean test for T.B. and Bangs within 30 days of the date of the sale, with the exception of under-aged officially vaccinated animals, in which case a vaccination certificate will be delivered. Vaccinated animals were pre-tested clean before vaccinated. Calfhood vaccination has been practiced in this herd for many years.

**TERMS** . . . The terms of this sale are cash unless other arrangements are made with the seller prior to the sale. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. All stock will be at the buyer's risk as soon as bid off, but the Hillcroft staff will assist in loading on cars or trucks in compliance with instructions from the purchaser.

The transaction constitutes a contract between the buyer and seller of each lot. The auctioneer, clerk and sale manager have been employed by Dr. Travelstead for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accidents that may occur. Dr. Travelstead will make every effort to provide for the comfort and safety of those attending the sale, but he can accept no liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Footnotes were written by the owner or written from information provided by him.

### — About Guarantees —

All of the bulls in this sale will be sold under the standard guarantee of the American Shorthorn Breeders' Association. Since this is a complete dispersion, however, the females will be sold without guarantees. We would like to point out that the bulk of the females are regular producing cows, most of them with calves at foot. We will give you all the information we have on them with reference to breeding dates, etc.

The home of Dr. and Mrs. E. M. Travelstead on Hillcroft Farm.

Few herds are successful when the owner takes only a passive interest in the cattle. "Doc" Travelstead has been a "cowman." He has lived on the farm, worked with the cattle, put all of his energy and enthusiasm into making Hillcroft one of America's top Shorthorn herds. He has exercised good cattle judgement from the start, has culled the herd closely, and has always been willing to invest in improvers. The farm and herd have been both profitable and practical.

Hillcroft was purchased in 1935. The Shorthorn herd was founded in 1936. Original selections were made from Mathers Bros., Ralph J. Taylor, the Illinois State Sale, Sni-A-Bar Farms, and other outstanding sources. By 1942 Dr. Travelstead was appearing as a regular consignor of top cattle to such sales as the Illinois State sale, and following the war Hillcroft Shorthorns began appearing on the national scene. Some idea of the record from that time can be gained through this catalog.

I can't emphasize too strongly that this herd is at its peak in terms of quality production. Your herd can gain strength through this dispersion.

**Sale Manager**

## **HILLCROFT GOOD NEWS**

**has famous  
half brothers . . .**

Camson Better News. This son of Calrossie Good News was sold as a calf to Femco Farms, for \$10,000. They used him three years, sold \$30,000 in calves by him through their auction sales, and then sold him to Avenel Farms, Bethesda, Maryland, for \$7600.

Leveldale Good News. Another half brother to Hillcroft Good News. This bull was the International reserve champion in 1951, the International grand champion bull in 1952.

. . . and already a famous son

Hillcroft Good News 2nd. Grand champion bull 1954 Kentucky National Futurity Sale. Sire, Hillcroft Good News. Dam, Hillcroft Miss Ramsden by Cruggleton Bonn. His sire, dam, granddam, two maternal sisters to the dam all sell in this dispersion.

**Lot 1**

**Bull**

Hillcroft Good News—Imported in dam, you don't have to talk much about your herd bull when he can produce champions, male and female. His first calf sold for \$2375. His next calf was reserve champion at Kentucky Futurity in 1955. We are selling several bulls and heifers that are half brothers and sisters to these. You will see a lot of top calves by him sale day. His dam is a very good Augusta imported cow that has a very good bull in the sale. All our bulls will be sold guaranteed as breeders.

Beaufort Bulldozer. The great sire that heads the Edellyn and Alma-hurst herds. Cruggleton Bonn, sire of Kinellar Host, lot 2, is a full brother to Cruggleton Pentland Firth, sire of Beaufort Bulldozer.

A pair of the first calves by Kinellar Host. Note the heads.

## Lot 2

Kinellar Host—You never know what to say when you are writing footnotes about your herd bull you are going to sell. You look at his pedigree. He is sired by a full brother of the bull that sired Edellyn Bulldozer, his dam is by Cruggleton Perfect, one of the all-time greats. You will see some good calves by him sale day. He was purchased for me by Reford Gardhouse at Perth in 1952. This is his first crop of calves. We believe he will be one of America's top sires.

The reserve champion female of the 1953 Kentucky National Futurity was Hillcroft Nonpareil 3d by Aberfeldy Royal Leader, lot 3. She is shown at left. She sold for \$1175 to Crown Crest Farms, Lexington, Kentucky. Her dam sells in this dispersion, also. Ralph Meachem and his grand champion female F K Golden Chain 10th is shown at right.

Mr Host—One of the oldest calves by Kinellar Host. You will see many good calves by this bull at foot with their dams. Note this youngster is out of a daughter of Edellyn Campeon Mercury that sired about as many top show winners as any bull in history. Nonpareil Lady also produced Hillcroft Nonpareil 3d, reserve champion 1953 Kentucky Futurity show and sale.

## MORE CALROSSIE GOOD NEWS BLOOD THAN ANYWHERE ELSE

Just a few Calrossie Good News bulls sons came to North America . . . but what an amazing record they have made. There is the \$10,000 Camson Better News, the \$16,500 International grand champion Leveldale Good News, the \$8000 International first prize winner Leveldale News Flash, Hillcroft Good News, and one or two others. There have been enough so that the unusual potency of this blood could be clearly demonstrated, but not enough so the the blood could be adequately spread through our better herds.

This sale provides a unique opportunity to buy Calrossie Good News breeding . . . **a great breeding son, two daughters, and fifteen granddaughters sell.**

Hillcroft Victor—A promising Good News from our famous Cecelia family.

Calrossie Good News, 1949 Perth reserve junior champion. Purchased for \$25,000 by Saltoun. This dispersal affords an unusual opportunity to purchase his blood. A son, two daughters, and fifteen granddaughters sell.

## **Lots 13 through 38 . . . the females selected by Dr. Travelstead in Scotland—and their descendants:**

In 1952 I went to Scotland and spent a couple of weeks making the rounds of the better herds. As I was buying for my own herd I didn't have to worry about how much I could get if I resold them. I will leave it to your judgement as to the job I did, but I'll tell you we are mighty proud of this group and their descendants.

In all, I purchased ten females in Scotland. We lost two, and the other eight will be sold in this dispersion. More important, in the short time we have had these cattle, their imported-in-dam calves and their descendants now make up 26 female lots in this dispersion. There have been a number of bull calves from these, too, that have sold to head top herds.

One thing should be emphasized. Good females cost money in Scotland, it costs money to get them over here, and now \$200 to record them. They are not guaranteed and you have to take your chances on death and non-breeders.

Here is an opportunity to buy for your herd, the ones I selected to put in my own herd . . . and at a fraction of the cost, with none of the risks that usually accompany importing.

Hillcroft Perfect, grand champion bull, 1953 Kentucky National Futurity Show and Sale. Purchased for \$1000 by Koreandale Farms, Chas. M. Meachem, Jr. & Sons, Morganfield, Kentucky, where he is doing a grand job and has developed into a great mature bull. His dam, Fay Clipper, sells in this dispersion as lot 13.

## Lot 13

### FAY CLIPPER 2647-572 (354577)

Female

Tattoo RE MAJ G41

Red, calved March 28, 1949. Bred by Albert Jas. Marshall, Stranraer, Wigtownshire, Scotland; imported Oct. 20, 1950 by and owned by E. M. Travelstead, Harrisburg, Ill.

Kinellar Miss Ramsden 35th—Imported from Scotland in 1950, this cow has given me plenty of good cattle, and is just about the best cow I ever owned, except may be Cecelia's Victory, who is so old she just won't tell her age. This cow has a calf that will be sold separately, but you will get to see the offspring by three different bulls. You can judge them. All her calves have been heifers, and I have all of them in the sale. She is up to calving. She is the granddam of Hillcroft Good News 2d, the Mississippi State bull.

Hillcroft Floss 2nd—A stylish heifer with a pedigree that would be difficult to improve. We have been strong for the Calrossie Good News bloodline and it has paid off.

Hillcroft Good News 2nd. Grand champion bull, 1954 Kentucky National Futurity. Sold to Mississippi State College for \$2375. The first son of Hillcroft Good News. His sire, dam, granddam, and two maternal sisters to the dam sell in this dispersion.

Hillcroft Victory by Marellbar Footstep, dam Cecelia's Victory, grand champion bull 1948 International Congress sale. Sold for \$3750 to Henry Dietz & Son, Wakeeney, Kansas. From Hillcroft's famous Cecelia family.

THIRTY THREE LOTS IMPORTED, imported in dam, or out of imported or imported-in-dam cows. EIGHT members of the famous Cecelia family that produced Hillcroft Victory and Hillcroft Harmony. THREE top herd bulls, as well as seven other good young bulls

## A Herd With A Great Past . . . Offers Its Future To You

Here are a few National champions produced at Hillcroft. No herd can win in national events so consistently without having the right kind of cattle to work with. More important to you is the fact that the sires, dams, and in many cases the granddams, full sisters, etc., can be yours through this dispersion.

Hillcroft Harmony, by Marellbar Footstep and out of Cecelia's Victory, grand champion bull of the 1951 Kentucky Blue Grass Futurity Show and Sale. Sold for \$2,000 to Art Duncan, Egan, South Dakota. Eight members of this prolific Cecelia family sell in this dispersion.

Hillcroft Nonpareil 3d, left, reserve champion 1953 Kentucky National Futurity show and sale. Sire, Aberfeldy Royal Leader. Sold for \$1175 to Crown Crest Farms, Lexington, Kentucky. Her sire and dam both sell in this dispersion.

Hillcroft Perfect. Grand champion bull 1953 Kentucky National Futurity. Sold for \$1000 to Chas. M. Meachem, Jr. & Sons, Morganfield, Kentucky. His dam sells in this dispersion.

Miss Augusta—Sells open and our kind of a heifer. Take a look at the pedigree. You will say she is your kind, too.

## Only In A Dispersion Can You Buy Such Females

Visit any top herd, You will find the good producing females trace to a few cows. They never part with these cows or their daughters. They are placed back into the herd to increase the production of quality. They are the cattle a breeder relies on.

Only in a dispersion are such females offered. For example, in this dispersion we are selling the members of our imported group . . . 26 lots. Our great Cecelia family that we have held onto so closely and that has produced so many champions and top sellers for us, also sells in its entirety . . . eight lots . . . 39 through 46 . . . our Nonpareil Lady family, and others. This is your opportunity to buy the ones we relied upon.

Leveldale Rothes Queen, grand champion female, 1952 International, reserve grand champion female, 1951 International. Sire, Beaufort Bolido. Lot 30 is a three-quarter sister.

Hillcroft Cecelia 4th—You will see three or four Cecelia cows in this sale. The old cow has done well for us with her offspring, and they will do well for any one buying them. Some will have calves and some right up to calving. Some of Cecelia's calves will sell in the sale. This cow is bred to Hillcroft Good News and will be well along with calf before sale day. She is a full sister to the \$3750 International Congress champion, Hillcroft Victory, and the \$2000 Blue Grass champion, Hillcroft Harmony.

Hillcroft Cecelia J—Another Cecelia. They always make very good cows. The dam is a full sister to the International Congress champion, Hillcroft Victory and the Blue Grass Futurity champion, Hillcroft Harmony. Their calves always demand a very good price. You don't have to worry too much about heifers like these. Bred since March 25 to a good son of Hillcroft Good News.

Bounce Augusta—A top young cow with a red bull calf by Kinellar Host. She is a very good cow, and has a February 25, bull calf you will want to own. You can see the pedigree. I will recommend her to any breeder. Cruggleton Bounce was one of the greatest sires in the last decade. She was bred to Kinellar Host April 10, 1955.
